DWR Announces Projects Selected for 2007
Proposition 50 Water Use Efficiency Grant Funding

SACRAMENTO -- The Department of Water Resources (DWR) has made its final selection of projects to be funded under the 2007 Proposition 50 Water Use Efficiency Grant program.

The selection follows a public workshop held on June 4, 2007 to discuss Draft Funding Recommendations for the 2007 Funding Cycle. This program implements Chapter 7, Section 79550 (g) of Proposition 50, which provides grants for agricultural and urban water efficiency projects.

The list of projects to be funded is posted on DWR's Web site at:
www.owue.water.ca.gov/finance/index.cfm.

DWR staff will contact applicants awarded grant funds and start the contracting process, which is expected to be completed by the end of December 2007.

Questions should be directed to Baryohay Davidoff at (916) 651-9666 or e-mail
baryohay@water.ca.gov.

-0-

The Department of Water Resources operates and maintains the State Water Project, provides dam safety and flood control and inspection services, assists local water districts in water management and water conservation planning, and plans for future statewide water needs.
